

ROGER PELOSI

RELEASE MANAGER & CONSULTANT

mattrogerpelosi@gmail.com | [linkedin](#) | [github](#) | [me](#)
m: 518.538.0399

Interdisciplinary candidate with cross-cultural communication, intentional design, project management, and full-stack development backgrounds based in New York.

EXPERIENCE

Release Manager at CGI CMIPS / *Sacramento, CA* March 2022 - Present

- Facilitate and organize monthly releases across 7 resident teams in addition to external government entities to successfully develop, test, and deploy added features and improvements to enterprise-level applications.
- Streamline organizational tracking standards and methods to ensure additional features and applications within the suite are delivered successfully and meet their service-level agreements.

Intern at Selux / *Poughkeepsie, NY* Spring 2020

- Engaged in collaborative research and interdisciplinary practices which focused on human-centered and prototype-driven design processes.
- Designed and created a to-scale, interchangeable, [sanitization module](#) for the company's line of modular lighting pillars.

Intern at Hudson Valley LGBTQ+ Center / *Kingston, NY* Fall 2019

- Collected, digitized, and analyzed event data to then understand singular/collective influence across a given fiscal year; extracted information was then utilized in organizational planning for the following terms.
- Planned youth-oriented workshops, coordinated outreach and transportation details, worked with youth leaders to assist them in their weekly meetings to steer the center's trajectory for future events.
